THIS CAUSE has been settled between the above parties and they have acknowledged in open court their agreement as follows:

_____
_____
_____
_____
_____
_____

A formal judgment/order containing appropriate findings of fact and conclusions of law and reflecting the above terms will be prepared by _____ and submitted in no later than _____days for signing by the undersigned judge. The parties hereby stipulate that: 1.) Signing this memorandum constitutes entry of judgment/order in this case: 2.) This memorandum is enforceable by the court; 3.) The judgment/order may be signed out of session, term and county; 4.) Further signatures of the parties and their attorneys are not necessary; 5.) The attorneys will be released as attorneys of record upon the signing of the judgment/order.

Prior to accepting the stipulated agreement of the parties, the undersigned judge made careful inquiry of the parties with regards to the voluntary nature of their agreement and their understanding thereof: that the court explained to the parties the legal effect of their stipulations and agreements; that the court determined that the parties understood the legal effect and terms of the agreement and stipulations; further, the parties acknowledged their voluntary execution of the agreements and stipulations, agreed that said terms accurately reflected their agreement, and agreed to abide by said terms of their own free wills.

This the ____day of _____, 200___.
